MEMO ENDORSED

Re: Aronson v. Branca
07-CIV-9405

Dear Judge Karas:

Please be advised that I represent the defendant in the above matter. On July 7, 2008 we completed the deposition of Mr. Branca. At that time, Mr. Aronson and Mr. Branca engaged in a conversation following the deposition which both myself and Mr. Reis believe could result in a settlement of this matter without need for the TRO hearing or trial. The matter is presently scheduled for Monday, July 14, 2008 in your court and although it has been delayed extensively in the past both myself and Mr. Reis believe that a final adjournment could result in a settlement without further burden to the court. If the court is amenable to such an adjournment, I will arrange same to a date convenient for the court.

I thank you for your attention to this and await your response.

Very truly yours,

Peter T. Goodrich

its last letter endorsement that there
would be no more adjournments.
